*Language of instruction:* Swedish and Ukrainian.

**Assessment**

That students meet the objectives of the course is tested through continuous oral examinations during the course, and through written assignments and a final written examination.

A student who has failed a course item is eligible for a retake exam/assignment. In connection with written assignments, supplementary assignments may be offered in order for the student to achieve a Pass grade. Such a supplementary assignment should be done within the stipulated time (normally five working days after the result has been posted). Otherwise a Fail grade will be reported.

A student who has completed an exam/assignment with a passing grade is not eligible for a retake for the purpose of receiving a higher grade. Nor may a student withdraw a

test/assignment once it has been submitted for the purpose of avoiding receiving a grade for the work.

A student who has taken two examinations in a course or a part of a course without obtaining a passing grade is entitled to the nomination of another examiner unless there are special reasons to the contrary (HF 6 chap. 22§). Such a request should be made in writing to the department responsible for the course.

If the University of Gothenburg has decided that a student is eligible for special study support, the examiner may, provided it is compatible with the aim of the course and it can be done within the scope of available resources, decide to offer the student an adjusted examination or a different examination format.

If the course has been discontinued or substantially revised, a student should be guaranteed to sit the examination on at least three occasions (including the ordinary examination occasion) during a period of at least one year, but not later than two years after the course was discontinued or revised. As regards internships/placement the same as above applies, with the exception that examination is offered on only one occasion.

### **Grades**

The grading scale comprises: Pass with Distinction (VG), Pass (G) and Fail (U).

For the grade of Pass with distinction on the course, this grade is required on the final examination.

### **Course evaluation**

The students are given the opportunity to make a written evaluation of the course. The results of the evaluation are published digitally

### **Additional information**

When the course is web-based, students need to have access to a computer, a web camera and stable broadband connection.

Equality aspects should be taken in consideration in content, literature, teaching and evaluation.
